CARACTÉRISTIQUES STANDARDS

DESIGN AND CONSTRUCTION

- Les verrouillages d'enregistrement à double roulement garantissent une qualité d'impression optimale pour des travaux en plusieurs couleurs
- Solide mais léger, simple à déplacer et à installer
- Fixations d'écran latérales pour une stabilité maximale
- Réglage et utilisation sans outil
- Compatible avec la plupart des systèmes d'enregistrement

PRINT HEADS

- Three Point Micro registration: front to back, side to side, and rotational
- Micro registration lock is independent of the movement
- Print heads have an adjustable, guided spring tensioning system that does not require lubrication
- Off-contact and screen pitch adjustments are located on each print head
- from any print head on any pallet
- "All Heads Down" feature allows you to print any color

PALLET SYSTEM

- 16" by 22" solid aluminum, low profile, rubber-coated pallets
- Slide style pallet system
